Boundary Adjustment **Application**

Fee \$200.00

OVERVIEW

- The County's approval of a Boundary Adjustment (land taken from one parcel and added to another), is not considered a lot split, it is only the changing of the position of the boundary line, and certifies that the adjusted parcels meet the requirements of the Custer County Zoning Ordinance No. 2007-09.
- An approved Boundary Adjustment application must be followed up with the involved property owners by recording deeds and a survey with new legal descriptions for the effected parcels to complete the process.
- Boundary adjustment WILL NOT create more parcels than exists prior to the adjustment, and must be signed by each property owner and notarized.

Include with this application

- \$200 filing fee, payable to Custer County
- Current Deeds
- Survey of boundary line adjustment with new legal descriptions for *both* parcels.
