

Custer Economic Development invites you to participate in the

11th Annual Local Project Awareness
and Utility Coordination Meeting

Wednesday, March 4th, 2026

1:30 pm to 3:30 pm

at

The Challis Community Events Center

411 Clinic Road, Challis ID.

During the meeting local area projects planned for the 2026-2028 construction seasons will be discussed, as well future projects in Custer County and surrounding areas that may have an impact on our area. We have found these meetings to be beneficial for increasing awareness and improving coordination of future projects by local agencies, utility companies, and contractors.

Please contact Jolie Turek at (208)833-6861 or email ceda@custertel.net if you would like to be added to the agenda or if you have any questions.

**The success of this Coordination Meeting can only
be achieved by your input and participation.**

Lemhi County will host their annual Coordination meeting on Thursday, March 5th, for those traveling.
